

A Week of Kindness

Dear Families,

This week our class is completing a week of kindness toward animals. We would like to encourage your family to complete an act of kindness, for either a pet or an outdoor animal. Some suggestions include, having a special playtime with your pet, taking your dog or a neighbor's dog for a walk, making a feeder or house for an outdoor animal, or anything else that you would like!

We will be sharing stories about our acts of kindness in class on _____.
Please complete the activity and return this page by that date. If you are not able to complete a kind act this week, write about something that your family or your child may like to do in the future.

Thank you,

Write about your act of kindness below:
