

## [Help Us Find Homes!](#)

Imagine that you are writing an advertisement for these animals to be adopted into their forever homes! Choose pictures of animals from below (or go online to [MichiganHumane.org/adoption](http://MichiganHumane.org/adoption) for current pets available for adoption). Use **positive adjectives** and **descriptive language** to describe these animals. Include at least **two health care tips** from the list generated by your class, or create your own.
